#### Public Forum

Davin Diaz, Center for Community Action and Environmental Justice, thanked the Board for their decision to hold a Special Board Meeting in Rialto.

15. Priority Projects for the 2005/2006 Consolidated Grants Program

A written list of targeted priority projects for competitive grants that will be offered jointly by the SWRCB and Department of Water Resources, using funding provided by voter approved Prop. 40 and Prop. 50 bond programs, was presented. These projects would receive priority consideration under the grants program. This was a written information item.

16. Status Report on Rialto-Colton-Fontana Perchlorate Investigation

A written report was provided to the Board.

Kurt Berchtold, Assistant Executive Officer, updated the Board on the status of the ongoing perchlorate investigation. Kwikset submitted their brief to the Supreme Court appealing the Board's rescission of a Cleanup and Abatement Order. Mr. Berchtold also provided an update on negotiations with Goodrich.

2. Approval of Minutes

Action:

It was moved by Member Van Gundy and seconded by Member Withers that the Minutes of June 24, 2005 be approved as presented.

3. Consent Calendar

- \*10. Reissuance of Waste Discharge Requirements, Lee Lake Water District, Wastewater Reclamation Facility (NPDES CA 8000100) Order No. R8-2005-0043.

Action: It was moved by Member Ruh and seconded by Member Withers that the Board adopt Order No. R8-2005-0043, with errata, and approve the exemptions from minimum lot size requirements requested by Alfred Langston, Phillip and Christina Klapper, David Little, Jim Giardina and Andy Bodewin.

11. Big Bear Lake Nutrient Total Maximum Daily Loads – Public Workshop

Information concerning this item is contained in a verbatim transcript of the proceedings.

Heather Boyd, Environmental Scientist, briefed the Board on the proposed Basin Plan Amendment to adopt nutrient Total Maximum Daily Loads (TMDLs) for Big Bear Lake. Staff reviewed the existing water quality standards for nutrients, the components of the proposed TMDL, and the proposed implementation plan and monitoring program. Staff also discussed the economic considerations, the environmental review process, and the public participation activities that stakeholders as well as staff have been involved in as part of the TMDL process.

Speakers on the item:

Tim Moore, Risk Sciences/Big Bear TMDL Task Force  
Ruth Villalobos, Chief of Planning, U.S. Army Corps of Engineers  
Bob Ludecke, President, Big Bear Municipal Water District Board  
Lawrence Bazel, Briscoe, Iverster & Bazel/Risk Sciences  
Matt Yeager, San Bernardo County Flood Control  
Robert Taylor, Forest Hydrologist, San Bernardino National Forest  
Cindy Lin, U.S. Environmental Protection Agency, Region 9  
Steve Pontell, Managing Partner, Pine Knot Landing

12. Big Bear Lake Sediment Total Maximum Daily Loads – Public Workshop

New information was presented to staff one week prior to the Board meeting that caused staff to reconsider the appropriateness of moving forward with the sediment TMDLs; therefore, Gerard Thibeault, Executive Officer, recommended that the Board postpone this item to allow staff time to review the new information. This item was postponed.

13. Middle Santa Ana River Watershed Waterbodies Total maximum Daily Loads (TMDLs) – Public Workshop. Order No. R8-2005-0001.

Information pertaining to this item is contained in a verbatim transcript of the proceedings.

This item has errata.

Bill Rice, Engineering Geologist, briefed the Board on comments received from interested parties as well as staff's response to those comments. Two previous public workshops have been held on this item. Staff recommended the adoption of the Proposed Basin Plan Amendment for the incorporation of TMDLs for Bacterial Indicators in the Middle Santa Ana River Watershed Waterbodies.

Speakers on the item were:

Matt Yeager, San Bernardino County Flood Control  
Jason Uhley, Riverside County Flood Control & Water Conservation District  
Dr. Cindy Lin, U.S. Environmental Protection Agency, Region 9

Action: It was moved by Member Ameri, seconded by Member Ruh and unanimously approved that the Board adopt Resolution No. R8-2005-0001 with errata.

14. Administrative Civil Liability Complaint, Robertson's Ready Mix, Orange County – Order No.R8-2005-0091

Information pertaining to this item is contained in a verbatim transcript of the proceedings.

Aaron Buck, Environmental Scientist, presented the Board with evidence and information pertaining to Administrative Civil Liability Complaint No. R8-2005-0073. The presentation reviewed violations of Provision B.3 of the State's General Industrial Permit for Storm Water Discharges Associated with Industrial Activities, Water Quality Order # 97-03-DWQ, NPDES No. CAS000001. Information showing how the discharger failed to reduce or prevent pollutants associated with industrial activity in storm water discharges and authorized non-storm water discharges through implementation of BCT (Best Conventional Pollutant Control Technology) for conventional pollutants was reviewed. Robertson's failure to develop and implement a SWPPP (Storm Water Pollution Prevention Plan) and Monitoring Plan was also reviewed. Staff recommended that Order No. R8-2005-0091 be adopted as presented.

Speakers on the item were:

Robert M. Binam, Attorney for Robertson's Ready Mix  
Craig Phillips, Robertson's Ready Mix

After closing the hearing, the Board adjourned to Closed Session at 6:40p.m. to deliberate upon the evidence presented. The Board returned to the regular meeting at 6:50pm. Chair Beswick

proposed that Order No R8-2005-0091 be modified to include an assessment of \$493,856 with an option for \$112,000 of that amount to be included in a supplemental environmental project. Regional Board Counsel Leon also suggested clarifications to the order.

Action: It was moved by Member Ruh, seconded by Member Van Gundy and unanimously approved that the Board Adopt Order No. R8-2005-0091 with the proposed revisions.

21. Adjournment

The meeting was adjourned to the regular meeting of September 30, 2005 at 9:00 a.m., at Orange County Sanitation District, 10844 Ellis Avenue, Fountain Valley.

Respectfully submitted:

GERARD J. THIBEAULT  
Executive Officer
